Dear Mr. Bates

I received the volume  
yesterday and had great pleasure that  
you should have given to all that  
trouble in printing them. I should  
have told you to fold them for an  
enveloping envelope. Many thanks  
all the same. One of these  
days, before long, you will receive  
a book in a slight return for  
all the copying you did for me  
last summer.

May you have a happy  
New Year, and find you very  
kindly. Best regards.

Yours very sincerely,

S. C. Johnson

Please to use the 5 offprints. The lower  
7 being framed.
